

AI Eureka

"Knowledge share and connect"

***You want to change?
You want to learn?***

We can help!!

Al Eureka

"Knowledge share and connect"

*What do you like to learn?
What do you like to
change?*

*More important:
WHY??*

Al Eureka is an educational knowledge center based in Libya and the Netherlands. The work is about human resources and capacity building. We invest in people by knowledge, education and awareness. We know, we believe and dare to trust in people. Main part, we like to share and connect our knowledge.

You can expect a lot from us, but most important part, we start by listening to you. We like to guide and support you. We give courses, training and workshops in many different kind of fields. You can think about your personal strength or to increase the strength of your organization. You like to build at your personal vision or the one of your company. Improve your communication, start a new activity, this are all examples of possibilities.

If you would like to know more about Al Eureka, need help or advice ! Please let us know, so we can make an appointment.

AI Eureka

"Knowledge share and connect"

*Who, why
What, why
How, why
When, why
Where, why*

AI Eureka want to be sure that your experience, your knowledge you getting with us will be permanent and positive. For this, we are happy to work with you what do you want to learn or change, but also what suit you.

Creativity, flexibility and fun are key elements.

Daring to try a different approach, because it may better suit you is an element.

Together with you we make complexity easier, what gives you a better overview.

For AI Eureka barriers are challenges. Together with you we break down your barriers.

Communication is one of the key components within AI Eureka. The dialogue and understanding of each other. Where we know that the diversity of humanity, is the strength for the future.

“Knowledge share and connect”

*How do you want to learn?
How do you want to change?*

Consultancy

When you have an organization, a company we will first analyse your need, your recent situation before we give you an organization advice for your future. We know that your company, your organization isn't a building, but is about people. Each of which has its own role, own task for realizing the mission of your organization or company.

Coaching

When it's about a team or an individual we will help to achieve the goal of your team or person. The change behavior, the improvement of a better cooperation in a team by guiding. We assure you a result of awareness and sustainable change.

Training

Train trainers, empowerment, communication, leadership (in development) are examples of our offer. The trainings are all developed in the background of Libya. Libyan culture and examples.

Workshops

Projectmanagement, The power of diversity, Pride & Prejudice
